

Principal's report for
February 16, 2023 PAC meeting

What's going on?

- **Basketball** season is over. The boys enjoyed being able to compete against other Ladner schools.
- Ms. Hanbury has been overseeing the **Tennis lessons** in the Gym. Students are enjoying learning something new and the coach is great with the students. The next special sport will be **Lacrosse**. This is for one week and is free for students.
- Our staff is looking forward to a great day of learning during the **Pro. D day** tomorrow. Most of the teachers are heading to DSS for a District Literacy Day. Others have individual Pro D goals and are working at the school. Our EAs are going to Seaquam for a special day of learning put on by the District Inclusive Learning Department.
- Donations for "**Acts 4 Water**" totaled \$900 from our school and (with a matching grant from a Rotarian) the overall total was \$1800. The schoolwide Walk 4 Water event on February 10th was a great opportunity for students to get a feel for what children in other parts of the world need to do to have clean water for their families.
- The **Canuck Place Cookie fundraiser** is on-going. We still have cookies to sell next week.
- Our grade 7's had 2 successful **Ski days** with 2 more to come (Feb. 24 and March 3rd). Ms. Grounds and Mr. Hunter accompany the students.
- **Carpeted wall replacement project** - this is well underway with 12 rooms finished already. There is 1 room in progress and 2 classrooms left to go. The Multi-purpose room is scheduled for March 6-17th. If PAC members need access to anything during this time, you will need to get it out ahead of March 6th. The Library is the final space to be renovated (over Spring Break).
- Practices for **Track and Field** (grades 4-7) will start up after Spring Break.
