New to Hot Lunch at Holly?

The hot lunch program has been a fantastic fundraising opportunity for the PAC to raise money that benefits the school and in turn, the students. The program is available to all students, staff and the pre-school program. Holly uses a third-party ordering system called MunchaLunch for parents to easily place and pay for all orders, that are then tracked and sorted efficiently for the Hot Lunch team.

How to Order

Simply go to **www.munchalunch.com** and click 'sign up' at the bottom of the screen. Select the appropriate account option and follow the prompts to select Holly Elementary. Fill in your contact information as prompted, and then add your child(ren) to the account by name.

Note: If your child is absent on a hot lunch day and you have placed an order, any absentee orders will be labeled and brought to the front office for pick-up should you choose to do so. If you choose to forego pick-up, please let us know and we will donate the meal to a hard working staff member!

For any questions or assistance with the hot lunch program or your MunchaLunch account, please contact our coordinator, Denise, at **hollyhotlunch@gmail.com**.

Happy ordering!
